RE: Michael Rose

Burger & Company

Michael;

I wanted to reach out to you to thank you for the work that you've done. You helped me through several real estate deals including "that" long term lease with that "other" company, and it would've been much more expensive without your help.

I have always found you knowledgeable and thorough, and importantly, I really appreciate that you are easy to get a hold of - you are prompt and that shows you mean to get the job done and that you respect your clients. That is rare these days.

I absolutely will be returning to you for my next deal.

Best,

Daniel Weiss
